RESPONSE TO QUAYLE ACTION

This application is in condition for allowance except for the following formal matters. Claims 1-7 stand objected to under 37 C.F.R. 1.75(a). Namely, in Claim 2, line 3, the use of the trade names "G.E. Lexan" and "Mylar" does not properly limit the invention and should be replaced with generic expressions.

Further, Figs. 6a, 7a, 8a and 8b should be renumbered as 6A, 7A, 8A and 8B. Likewise, the drawing in the Figures contain reference numerals in small case and should be amended to large case so as to correspond to specifications.

Please see a full set of drawings with the corrections noted above. Please see attached amended claims substituting "G.E. Lexan" and "Mylar" with the generic name of the product.

In view of the above, a Notice of Allowance is respectfully solicited.

Respectfully submitted,
JACKSON WALKER L.L.P.
